## U.S. FAST FACTS

One out of every 13 prescriptions filled in the U.S. – brand-name or generic – is a Mylan product

More than 22 billion doses of medicine sold annually, at an average price each of just 25 cents

Nearly 80% of Mylan's products sold in America are manufactured at a Mylan U.S. site

More prescriptions filled in 2016 with a Mylan product than by AstraZeneca, GSK, J&J, Lilly, Merck, Pfizer, and Sanofi combined

## OUR MISSION

At Mylan, we are committed to setting new standards in healthcare. Working together around the world to provide 7 billion people access to high quality medicine, we:

- Innovate to satisfy unmet needs;
- Make reliability and service excellence a habit;
- Do what's right, not what's easy; and
- Impact the future through passionate global leadership.
